## Lanier Islands Invites Georgia to Join the Club

*Southern Lakeside Resort Debuts “Club Lanier Islands” to Provide Patrons with a Country Club Experience at a Reasonable Price*

**Buford, Ga. – March 7, 2024** – Representative of a 1,200-acre lakeside playground that has been enjoyed by locals, business travelers, and leisure vacationers for decades, [Lanier Islands Resort](#) now offers a new annual membership program providing valued members with exclusive discounts, benefits, and events, such as wine and bourbon pairing dinners, golf tournaments, kids’ camps, and more. Dubbed [Club Lanier Islands](#), the program offers four levels of membership, created to provide members with free resort gate entry and options for benefits that best fit their needs. With a dedicated Club Lanier Islands website and mailing list, members will be among the first to know about upcoming events, specials, and additions to the resort’s offerings.

“The inspiration behind this was simple – we want to give something back to our most loyal patrons,” said Matthew Bowling, Vice President of [Lanier Islands](#). “Club Lanier Islands offers a country club experience at a reasonable price – enhancing our patrons’ quality of life and granting them daily access to our tranquil setting. For instance, our Bronze Level members enjoy free unlimited gate entry to the resort. Their membership fees will pay for themselves in just five visits. The higher the level of membership, the more robust the rewards. We offer a ‘Different World, Close to Home’ for members, making this an excellent opportunity to enjoy our resort all twelve months of the year. We’re continually adding new products, programs, and events to enhance our guest experience year-round. Top-tier membership levels provide discounted tickets to Margaritaville at Lanier Islands – which will debut four new waterslides this Summer at its Fins Up
